Responsibility: We recognize and always honor the investment of us customers, as well as our ethical and social responsibilities. We respect us environment and it's protection. We compete on quality, service and value. We build our competitive edge on superior innovation and customer responsiveness.

Excellence: We compete on quality, service and value. We build us competitive edge on superior innovation and customer responsiveness. We have a passion for excellence and our intention is to simply be the best.

Competitive Prices: BD JSTEX sourcing is able to offer world class service at a very competitive price. R.M.J have experts in other supply countries to follow their exclusive costing structure to precision. This helps to negotiate better prices from all vendors to suit the customer needs and desire.

Supplier Credibility: BD JSTEX sourcing developing team take great care to ensure the quality, desired weight, construction and color, we evaluate the capacity and capability of every factory. BD JSTEX sourcing also check environmental control, safety laws, labor practices and adherence to labor laws. We make sure that our supplier can meet our requirements when it comes to reaching the average number of pieces produced as per buyer's requirement at a given period of time to meet schedule.

Sourcing: BD JSTEX sourcing maintains strong exclusive relationships with many of the yarn and fabric mills and the accessories suppliers. Upon placement of orders, we check right way and control the quality of all garment inputs such as yarn, fabric, accessories, labeling and coordinates timing of their procurement and its timely delivery. We let buyers choose and decide what kind of accessories and labels to use as far as style, color, design etc.

Sampling: We develop and provide samples as per buyer's design, fabric quality, weight, shrinkage, color fastness, specifications etc. to obtain buyers approval before heading to production through our professional staff of Merchandisers and Quality Controllers who always keep a close check on sampling and production.

SERVICES

buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet according to buyer's requirement. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materials and accessories to production and up to the final shipment of goods. We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage.

Quality Control / Assurance: Our Quality Controllers visit the factory regularly to make sure we meet us

Packaging: Only approved goods are packed and buyer is assured of getting quality merchandise. Care is also taken to see whether all packing instructions of the buyer are respected.

Shipment/Cargo Handling: All shipping documents are reviewed and verified as per buyer instruction. All cargo is handled by reputable forwarder to obtain correct information regarding ETD and ETA of vessels because time delivery is as important for us as it is to the buyer.
